## A SHELTER NSW LECTURE SERIES

### How do housing and economics intersect? What are the key economic issues shaping our housing?

Due to popular demand, we will again be presenting our series of 4 lectures on housing economics for non-economists. The lectures will take place in March 2012 in Sydney, and will be presented by prominent academics:

- ▶ Professor **Peter Phibbs**, Urban Research Centre, University of Western Sydney, on **property economics and planning**
- ▶ Professor **Richard Krever**, Taxation Law and Policy Research, Monash University, on **housing and the taxation system**
- ▶ Honorary Associate Professor **Judy Yates**, Economics, University of Sydney, on **housing affordability and supply**
- ▶ Dr **Ben Spies-Butcher**, Macquarie University, on the **political economy of housing**.

Each session will consist of a one-hour lecture, followed by questions and discussion.

### Who should attend?
